

# 10<sup>th</sup> BBBB International Conference on Pharmaceutical Sciences

*Today's science, tomorrow's healthcare*

September 12<sup>th</sup> - 14<sup>th</sup> 2024, Tartu, Estonia

[Venue: V Spa Hotel Conference Centre](#)

## Second Announcement

We welcome you to the [10th BBBB Conference](#), “*Today's science, tomorrow's healthcare*”. The conference will offer opportunities to exchange scientific ideas and create networks between people from academia, industry, and regulatory authorities, as well as between young and established scientists and professionals. Three days in Tartu, Estonia, will be filled with science, discussions, friends, colleagues, and social events. Besides the conference, Tartu - [the European Capital of Culture 2024](#) – will offer plenty of different and unique events.

### Important dates:

<b>Abstract submission deadline</b>	<b>31<sup>st</sup> May 2024</b>
<b>Communication of accepted abstracts</b>	<b>10<sup>th</sup> June 2024</b>
<b>Early-bird registration deadline</b>	<b>14<sup>th</sup> June 2024</b>

More info and registration: <https://bbbb2024.org/>

All presenters will be invited to publish in the European Journal of Pharmaceutical Sciences BBBB Special Issue.

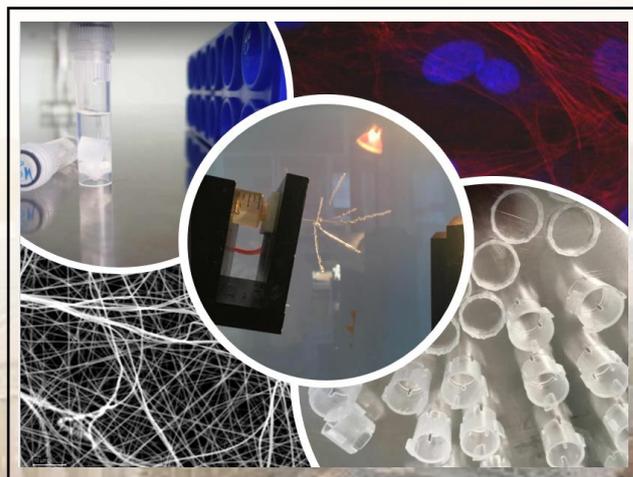

### Scientific gallery

Let's share the beauty of our science!

Have you noticed that often your scientific work is a piece of art? The 10th BBBB International Conference of Pharmaceutical Sciences gives You an opportunity to share Your unique photos in the public gallery. Feel free to participate and send your photo to the exhibition. More information at

<https://bbbb2024.org/>

# 10<sup>th</sup> BBBB International Conference on Pharmaceutical Sciences

## Preliminary program

### Thursday, 12.09.2024

10:30	Arrival, registration, coffee	
11:30	Opening ceremony	
12:00	<b>Plenary lecture Prof. Tabet Teesalu</b> , University of Tartu	
13:00	Lunch	
14:00	<b>Dr. Astrid Subrizi</b> , University of Eastern Finland. „RNA aptamers for the targeted drug delivery to the eye“	<b>Assoc. Prof. Rita Ambrus</b> , University of Szeged. „Strategies from the field of particle engineering to develop novel formulations; updated overview“
14:30	Oral presentations	Oral presentations
15:30	Poster session and coffee break	
16:30	<b>Assoc. Prof. Zerrin Sezgin Bayindir</b> , Ankara University. „Strategies on efficient nanotechnology-based drug delivery in nervous system disorders“	<b>Assist. Prof. Rok Frlan</b> , University of Ljubljana. „Fragment-based design in the discovery of new antibacterial leads“
17:00	Oral presentations	Oral presentations
19:00	<b>Welcome reception at V Spa Hotel Conference Centre</b>	

### Friday, 13.09.2024

09:00	<b>Plenary lecture Prof. Annette Bauer-Brandl</b> , University of Southern Denmark	
10:00	Poster session and coffee break	
11:00	<b>Prof. Leena Peltonen</b> , University of Helsinki. „Dissolution and solubility enhancement - nanocrystals, cocrystals or co-amorphous indomethacine?“	<b>MSc. Kristiine Roostar</b> , University of Tartu. “3D printing of enteric formulations”
11:30	Oral presentations	Oral presentations
12:30	Lunch	
13:30	<b>Plenary lecture Adj. Prof. Piotr Merks</b> , Cardinal Stefan Wyszyński University in Warsaw. „From pharmacy practice research to full pharmaceutical care service implementation on the example of Polish case studies during and after COVID-19 pandemic“	
14:30	<b>Assoc. Prof. Andrea Heinz</b> , University of Copenhagen. „Personalized drug delivery systems for the treatment of skin diseases“	<b>MSc. Anita Tuula</b> , University of Tartu. „Community pharmacist-led medication reviews in improving adherence“
15:00	Oral presentations	Oral presentations
16:00	Coffee break	
16:30	<b>Prof. Yeşim Aktaş</b> , Erciyes University. „Nano and multiparticulate systems in oral drug delivery“	<b>Dr. Anssi-Pekka Karttunen</b> , University of Helsinki. “Smart formulations”
17:00	Oral presentations	Oral presentations
19:00	<b>Gala dinner at Lodjakoda</b>	

# 10<sup>th</sup> BBBB International Conference on Pharmaceutical Sciences

## Preliminary program

**Saturday, 14.09.2024**

09:00	<b>Plenary lecture Assoc. Prof. Mia Sivén, University of Helsinki</b>	
10:00	Poster session and coffee break	
11:00	<b>Assoc. Prof. Tamás Tábi, Semmelweis University. „Capillary electrophoresis – a valuable bioanalytical tool for pharmacology research“</b>	<b>Assist. Prof. Mirjam Gosenca Matjaž, University of Ljubljana. „Lyotropic liquid crystals: advanced delivery systems for dermal and subcutaneous application“</b>
11:30	Oral presentations	Oral presentations
12:30	Lunch	
13:30	Awarding and closing the conference	
14:30	Walking tour in Tartu	

### Registration prices

	Early fee	Late fee
<b>Student</b>	300 €	400 €
<b>Academia</b>	500 €	550 €
<b>Practicing pharmacist</b>	1-day: 200 € 3-days: 500 €	1-day: 300 € 3-days: 550 €
<b>Industry</b>	1-day: 400 € 3-days: 1000 €	1-day: 500 € 3-days: 1200 €

### Organizing committee:

Prof. Karin Kogermann - Conference chair  
Assoc. Prof. Ivo Laidmäe - Chair of the Scientific Committee  
Kelli Randmäe - General Secretary of the Conference  
Assoc. Prof. Urve Paaver  
Kristiine Roostar  
Anita Tuula

### Scientific committee:

Prof. Aleš Obreza  
Prof. Éva Szökő  
Prof. Dr. Tuba İnceçayır  
Prof. Dr. Yalçın Özkan  
Prof. Ildikó Bácskay  
Prof. Jarkko Rautio  
Prof. Leena Peltonen  
Prof. Mirjana Gašperlins

### Organizers

Estonian Academical Society of Pharmacy – EASP  
University of Tartu  
Finnish Pharmaceutical Society

### Under the auspices of

European Federation for Pharmaceutical Sciences (EUFEPS)

### Partners

Hungarian Society for Pharmaceutical Sciences  
Turkish Pharmaceutical Technology Scientists Association  
Slovenian Pharmaceutical Society
