

NordicPOP 3D Printing Workshop, 16.-17.5.2024

Manu seminar room, Biocity, Tykistökatu 6A, 20520 Turku, Finland

Registration & Program

Participation is free of charge. Register through the link below by April 30, 2024: <https://nordicpop.ku.dk/events/2024/nordicpop-3d-printing-workshop-16.-17.5.2024-turku-finland/>

Thursday 16.5.2024

Session I – Modeling for advancing 3D printing

12:00 – 12:15 Opening words: Tapani Viitala

12:15 – 13:00 TBC

13:00 – 13:30 Fatemeh Ardaneh, Turku University of Applied Sciences, Finland

13:30 – 14:00 Rabia Altunay, Turku University of Applied Sciences, Finland

14:00 – 14:30 Coffee break

Session II – Quality control for 3D printing and personalized medicines

14:30 – 15:15 Mika Salmi, Aalto University, Finland

15:15 – 16:00 TBC

16:00 – 16:30 Niklas Sandler, CurifyLabs, Finland

16:30 – 18:00 Poster session & Get together

18:30 – 23:00 Dinner

Friday 17.5.2024

Session III – 3D printing of biomaterials

9:00 – 9:45 Heli Skottman, Tampere University, Finland

9:45 – 10:15 Chunlin Xu/Xiaoju Wang, Åbo Akademi University, Finland

10:15 – 10:45 Niko Moritz, University of Turku, Finland

10:50 – 11:00 Biobreak

Session IV – Future of 3D printing of pharmaceuticals and integrating 3D printing in teaching

11:00 – 12:00 Panel discussion

13:00 – 3D Printer demonstration at Brinter
