

# Workshop on pharmaceutical applications of large-scale research infrastructures

**Dates: August 27<sup>th</sup> – 28<sup>th</sup> 2019. Venue: MAX-IV**

## Programme

### Day 1

13.00 Sandwich and registration  
14:00 Intro to synchrotron/neutron science. **Sine Larsen**  
14:45 Industrial use of synchrotrons. **Selma Maric**  
15:30 Coffee Break and Tour of MAX-IV  
16:30 Diffraction (powder, single crystal). **Mads Ry Jørgensen**  
17:00 Scattering (SAXS/SANS, inelastic)  
17:30 Absorption spectroscopy (XAFS, XMCD...)  
18:00 Imaging (topography, tomography, phase-contrast)  
**Henning O. Sørensen**  
18:30 Microscopy (scanning, transmission..)  
19:00 Dinner in Lund

### Day 2

09:00 How to write a good proposal (representant from the review panel)  
10:00 First-time-user testimonies  
11:00 Q&A, wrap up.  
12:00 Grab-a-Lunch and good-bye

**Registration** opens on 24th June and shall be made via Nordic POP homepage:

<https://nordicpop.ku.dk/events/nordic-pop-workshop-on-pharmaceutical-applications-of-large-scale-research-infrastructures/>

**The deadline for registration 1st of August.**

Organizer: Anders Ø. Madsen, a.madsen@sund.ku.dk
